It's been another wonderful summer in the Northwoods. We were lucky enough to escape the heat by floating in the lake or taking a cool walk in the woods. Thank you to the many volunteers who help maintain our common lands for everyone's enjoyment. Thank you to all the residents and especially our newer neighbors for your continued support. The annual election of officers resulted in some changes.

Anne Reed resigned from the Northwoods Board this September after serving for eight years. During that time, she was very active as Chairperson of the Membership Committee. Anne made sure to welcome every new resident with information, trail map, beach passes, and homemade bread. She is also responsible for organizing the landscaping volunteers, making sure the area around the beach is mowed and edged, and the flower beds are planted, watered, and weeded throughout the summer. Fortunately, Anne will continue in that capacity. Thank you, Anne, for your many years of service to the Northwoods Association.

Robert Comba stepped into the open Board seat and was elected to a three-year term at the September General Membership meeting. Robert and his wife Christine recently purchased Ruth Muccio's home at 148 Chuckwagon

Trail. Robert has been in the construction and HVAC field for 33 years. Christine is a New York City School Teacher for the past 15 years. They live in Bayshore, NY and spend as much time as possible in the Northwoods. Roberts goals for the Northwoods Community are to assist with keeping our community a beautiful place for all families to enjoy and to help with all improvements throughout. Robert looks forward to participating and helping with all future community activities and events as well. Welcome aboard Robert, we are looking forward to working with you.

In Loving Memory

Jacqueline (Casey) Foster passed away at the age of 57 on May 3, with her husband Greg, son Daniel, and daughter Charlynn by her side. She spent her summers growing up in the Northwoods with her family and loved the area and people so much that Jacque and her husband bought their own cabin on Pinewoods which they had planned to retire to. Despite the hardships thrown her way from serious medical issues the past few years she continued to make others laugh, maintained a positive outlook, staying strong until the end. Her spirit will live on in all the people that were fortunate to be part of her life.

Fall Cleanup is scheduled for **Saturday, October 7 at 9am**. Volunteers are needed to take down the tents, cover the picnic tables, bring in the swim dock and ropes, clean both spillways of debris, and anything else that needs attention before winter. Do you have a few hours to spare? Please come lend a hand.

Raindate — Sunday, October 8 at 9am

ALL BOATS should be removed from the lake for the winter. Please take your boats home and give them a good cleaning before putting them back in the spring. Boats left out often get turned over and fill with stagnant, disease carrying water.

Happy Trails

Trail marking is under way and should be completed before hunting season. The new markers are metal and color coded to match the trails with an arrow to point you in the right direction. Thanks to Mike and Megan Goldfuss, Neil Rotman and Jeff Hedden for getting this done. *Enjoy your autumn hikes and rides!*

Big game season begins October 14 for muzzleloaders and October 21 for the regular hunting season. Several members hunt our lands on a regular basis. For your safety try to limit trail use to between 10am and 3pm. Wear bright orange clothing so you can be seen and not mistaken for a deer. Don't forget your pets – a bright coat or collar will keep them safe too.

It's a new year for the **50/50 fundraiser**.

Sixty dollars will get you thirteen chances to win one hundred dollars or more! Monthly drawings. Proceeds go the Northwoods Assoc.

Get in on the fun— send your \$60 check made out to “Northwoods Assoc.” to:

Our **Holiday party** will once again be held at The Hitching Post - Nettle Meadow on December 8 from 5 to 8 PM. Admission is \$30 per person for members in good standing, \$36 for others. Mark your calendar and be sure to attend the party. The Hitching Post is a great venue, rich in Northwoods history and the charcuterie boards are wonderful. It's a great way to kick off the holiday season, spend some time with old friends and meet new neighbors.

We will ask for rsvp's as we get closer to the date. Hope to see you there!
